Village house in Encebras, near Pinoso, Alicante. It has 6 large bedrooms, which could easily be made into ensembles, as well as 3 bathrooms, a courtyard, a kitchen, pantry, a living room, dining room, reception room, a staircase with a landing, a balcony which leads off one of the bedrooms and a separate outbuilding which could be made into more accommodation (with its own entrance) or used for storage. This house would be ideal for a large family or for converting into a B&B, as there is a national park on the doorstep, popular for hiking, cycling and nature holidays. There is also a bar and restaurant just around the corner. There is mains electricity, water and sewerage connected to the property, as well as internet and telephone availability. Open to offers.
